## PHOTO CAPTION

On April 23rd, the Essex County Work Injury Center announced the opening of its work hardening facility which offers a full rehabilitation program for injured workers.

The state-of-the-art facility located at 517 Central Avenue in Orange, New Jersey had a ribbon cutting ceremony and open house for vendors and others to tour the center.

Those on hand for the ribbon cutting ceremony included:  
(Right to Left)

Cynthia Pirozzi (Manager)

Hon. Robert Brown (Mayor of Orange, New Jersey)

Dr. James Lee (Orthopedic Surgeon and principal owner)

Caridad Munoz (Physical Therapist)
